

## LINKS TO SAFETY DATA SHEETS FOR CERAMIC RAW MATERIALS

Prepared clays, commercial glazes, underglazes and stains are not included in this list, as they contain, for the most part, the same raw materials in the table.

### **Tucker's Pottery Supply**

As explained at their main SDS page, <https://tuckers-pottery-supplies-inc.shoplightspeed.com/service/safety-data-sheets>, not all SDS are yet posted on the new site. Contact Tucker's Pottery directly for those items not yet linked to their SDS.
